

HOW THE HOLIDAY INN GRAND RAPIDS

DOWNTOWN

REDUCES, REUSES AND RECYCLES

CLEAN THE WORLD

This year we have donated over 1,500 bars of soap by recycling leftover soap.

RECYCLE NEW

Our September recycling event donated over 600 pounds of electronic waste with our partner Comprenew.

LIGHTS OUT LUNCH

Each Thursday we save energy in the Pearl Street Grill by turning off the lights during lunch from 11am - 4pm.

PAPERLESS CHECKOUT

Our checkout process is now paperless! View guest receipts on the IHG app, on the television in your guest room or receive it via email.

ADOPT A BED

This year we paired with Michigan Cares for Tourism to "Adopt" a Flower bed. To maintain the bed we prune the foliage in the spring and plant bulbs in the fall.
